

An opportunity to visit and have a guided tour of **Elton Hall**, home of the Proby family since 1595. Elton Hall is enchanting and there is something romantic and magical about the building with its gothic south elevation set at a right angle to the classical, French inspired, entrance wing. Successive generations have embellished both the house and collection, which contains many Old Masters and fine examples of English portraiture.

There will be time to explore the lovely gardens that have been completely restored and enhanced with new borders, hedges, topiary, an Orangery, Shell Seat, modern fountain and many interesting plants.

You will be able to have coffee on arrival and forage for lunch at The Mulberry Café at Bosworth's Garden Centre, which is in the grounds of Elton Hall.

We will also visit Longthorpe Tower in Peterborough, which has the most, complete and important sets of 14th-century domestic wall paintings in northern Europe.

To end the day the day, we will visit Elton Church, which has some lovely stained glass by William Morris and Edward Burne-Jones.

We will leave Sudbury long stay Car Park at 8 am, arriving back in Sudbury at about 6:30pm.

Cost to include coach, and all entrance and tour fees is **£42**.
